

Project Service to Others DISTRICT 48 – Leeds and Grenville RTOERO GRANT REQUEST

Each year, District 48 of the Retired Teachers of Ontario sets aside funds to provide special grants to local groups and organizations. These grants are awarded based on the following criteria:

- Groups/organizations must be non-profit
- Intended project must benefit **local** children, seniors and/or the community in general
- Project must take place during the calendar year following the grant
- Specific involvement of local RTO/ERO members is required
- Application must be completed in full and be accompanied by a detailed financial statement outlining expected revenues and expenditures

The purpose of the grant is to provide monetary support to a project in the local community, and to highlight the role retired teachers play. A complete report on the use of the funds accompanied by pictures and by copies of any publicity generated by the grant is expected.

The maximum grant available for any project this year is \$500.

All applications must be received by October 1st. The grants will be awarded by the Executive at its October meeting, and applicants will be notified of the decision shortly thereafter.
